One on Fall.

Eph Bane feels as if he has in a measure turned the tables on his persecutors. He was subpoenaed in the Bennett case by the state as a witness against Mr. Bennett who runs the bottling works. The point attempted by the state was to find out who was the owner of the place which Bane was connected with. Assistant County Attorney Wise was conducting the case and Mr. Bane was placed on the stand, after a number of questions had been put to Mr. Bane without any apparent result, Mr. Wise said: "By the way, Mr. Bane, what was the place known by, in fact was it not known as Bane's place?" Mr. Bane in reply said: "Well, some of the boys knew it by Eph's place, some of them by Dan Reed's place and some of them by Fall's place." The witness was immediately discharged.

To A Higher Court.

Mr. John Chapman is dead. He was taken sick last Friday evening and died Saturday afternoon. He was last seen on the streets Friday afternoon and complained of feeling badly. He went home and laid down to rest. Between 9 and 10 o'clock his wife was attracted toward him by his his heavy breathing. She quickly summoned a doctor who found him unconscious from which he never recovered.

Mr. Chapman was one of the best known men in the city and was universally liked. His health has not been good for some time. As is known to all our readers he was president of the Hutchinson national bank at the time of its failure, and at the time of his death was out on bond. No one acquainted with Mr. Chapman will believe that he ever willfully wronged anybody. While Mr. Chapman was fully aware of this confidence the people had in him, yet he brooded over the odium that has attached itself to the affair of the bank, that he simply worried himself into the grave. No doubt the extreme warm weather was a cause that assisted in his untimely death.

The funeral services were held Monday afternoon under the auspices of the Masonic order of this city. Thus ends another chapter in the history of the Hutchinson National Bank.
